

SAVE MONEY ON YOUR CREDIT CARD FEES

COS proudly announces a credit card processing relationship with Integrity Merchant Solutions (IMS).

**A Testimonial From
Dr. Ross A. Benthien, MD
Orthopedic Associates of
Hartford,
Board President,
CT Orthopaedic Society**

“Orthopedic Associates of Hartford has just started to work with Lisa Schwartz and Integrity Merchant Solutions. She has predicted substantial savings on our merchant processing, not only on the basic rates, but also by eliminating several unnecessary fees. And the transition has been seamless, with no disruption to our practice.

I highly recommend that you give Lisa a call and let her do a free, no-obligation savings analysis. You have nothing to lose and everything to gain!”

Now, through your COS membership, your practice can realize significant savings on your credit card processing fees. IMS offers payment processing solutions to suit every practice and works with all major card types.

Core Values and Principles

- Economical and appropriate pricing
- No hidden fees
- Clear and concise statements to simplify reconciliations
- Customer service that you can count on before, during and after the sale
- No long-term contract

About Member Discount Program

- Save 10-40% over current rates
- Free no-obligation cost analysis
- Learn the benefits of Interchange Plus (Cost Plus) pricing
- Take advantage of the Durbin Amendment that drastically lowered debit card rates
- Next-day deposits
- Use existing equipment in most cases
